Pay Policy

Introduction

1. This policy sets out the framework for making decisions on pay. It has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document 2019 (STCPD), the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service (Green Book) or any other conditions used in Coventry schools.
2. A School Pay Policy provides a policy framework within which the pay structure of the school will be determined, and conditions of service will be applied. The policy is freely available to all Directors, Academy Committees, staff and other interested parties so that the process and policies for decision making are open and clearly understood by all who might have an interest in them, or be affected by them.
3. This document will be reviewed by the Remuneration Committee in light of changes to national pay and conditions of service. In any event it will be reviewed annually.
4. This policy should be read in conjunction with this school's Appraisal Policy, which sets out the framework for a clear and consistent assessment of the overall performance of all teachers in the school, including the leadership team, and for supporting their development needs within the context of the school's improvement plan and their own professional needs. All appraisals undertaken during the academic year 2018-19 will produce recommendations for pay for the teacher, to take effect from 1st September 2019.
5. In adopting this pay policy, the aim is to:
 - Maximise the quality of teaching and learning at the school
 - Support the recruitment and retention of a high-quality workforce
 - Enable the school to recognise and reward staff appropriately for their contribution to the school
 - Ensure that decisions on pay are managed in a fair, just, transparent and objective way
6. Pay decisions within the Company are made by the Directors through the Remuneration Committee and the Local Academy Committee. The Company has established a Remuneration committee(s) with the necessary power to undertake consideration of salaries within the school for the Catholic Senior Executive Leader (CSEL), all (Executive) Principals and Vice Principals. For Assistant Vice Principals, Leading Practitioners and teachers, the Local Academy Committee are delegated responsibility for consideration of salaries through the Pay Review Committee. This Committee meets before 31st October each year.
7. All employees will receive a written statement detailing their pay and any allowances they may be entitled to on an annual basis.

Equalities

8. The Romero Catholic Academy seeks to provide equality of opportunity for all staff regardless of race, gender, nationality, ethnic origin, marital status, disability, economic status, sexual orientation, age, trade union, political belief or responsibility for dependants. In matters related to staffing and pay it will act in accordance with the School's Equality Policy and any other associated policy, including the School's Appointment Procedure.
9. The Romero Catholic Academy recognises the implications of equal pay legislation. In this connection it recognises in complying with this legislation, the need to take into account comparisons with other schools.
10. The Romero Catholic Academy will monitor the outcomes and impact of this policy on a regular basis, including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation. This information will be made available on request. This will be through Core Committee 2, People Strategy and Organisation.

Pay Reviews

11. The Remuneration Committee will ensure that each teacher's salary, including the CSEL, Principal, Vice Principal(s) and Assistant Vice Principal(s), are reviewed annually as part of the Appraisal process, to take effect from 1 September. They will endeavour to complete all annual pay reviews by 31st December.
12. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay.
13. Where a pay determination leads or may lead to the start of a period of safeguarding, the Directors will give the required notification as soon as possible and no later than one month after the date of the determination.

There are some circumstances, such as absence due to maternity or long term sick leave, which will need to be considered on a case by case basis and adjustments made to ensure equality of opportunity.

Pay Relativity

14. The Remuneration Committee will ensure that there is proper pay relativity between jobs within the school. Appropriate differentials will be created and maintained between jobs within the school, in a coherent rational structure, which addresses the need of the school as a whole and the need to reward individuals appropriately.

Safeguarding

15. The Romero Catholic Academy will operate salary safeguarding arrangements in line with the School Teacher's Pay and Conditions Document.

Appeals

16. The Romero Catholic Academy has an appeals procedure in relation to pay in accordance with the provisions of the STPCD. It is set out as an appendix to this pay policy.

Leadership Pay

17. Changes to the pay of leadership group members under the School Teachers' Pay and Conditions Document 2014 will **only** be applied to individuals appointed to a leadership post on or after 1st September 2014 or whose responsibilities have changed significantly after that date.

18. The Romero Catholic Academy has determined individual pay ranges for Principals, Vice and Assistant Principals within the broad pay range appropriate to the school's group size. The leadership pay range effective from 1 September 2019 in each school is attached at **Appendix 2**;

19. In setting individual pay ranges within the leadership group it will only be in exceptional circumstances where the Principal's pay range is overlapped by the pay range of another member of the leadership group.

Principal Pay

Basic Pay Determination on Appointment

19. For appointments on or after 1st September 2014, or where leadership responsibilities significantly change after this date, the Directors will take into account; all of the permanent responsibilities of the role, the challenges that are specific to the role and other considerations including recruitment and retention difficulties.

20. The Directors may decide that circumstances warrant setting the Principal's pay range up to 25 per cent above the maximum of the pay range for the school's group size. In exceptional circumstances and supported by a business case and external advice, it may be extended beyond that figure. In both cases, this should be communicated to HR without delay and a form will be provided for you to outline your case. Payment will not be processed without all of the appropriate information provided.

21. Discretionary payments to the Principal will only be made for clearly temporary additional responsibilities or duties which have not been previously taken into account when setting the individual pay range. These payments will not exceed 25 per cent of the annual salary which is otherwise payable to the Principal other than in wholly exceptional circumstances. (See point 31)

Principals

22. The Directors, through the Remuneration Committee, will only re-determine the pay range of a serving Principal if the responsibilities of the post change significantly or if it is required to maintain consistency with pay arrangements for new appointments to the leadership team made on or after 1st September 2015. In other circumstances the appropriate provisions of the STPCD 2014 will continue to be applied unless specified otherwise within this policy.

23. The Principal will be placed on a seven point pay range. This will be separated by at least one clear point from any other leadership pay ranges. In reaching a determination regarding discretionary payments to an existing Principal the provisions of paragraphs 20 and 21 of this policy will be applied.

| School Group | Salary Range 2019 (DfE document Sept 2019) |
|--------------|--|
| | £ |
| Group 1 | £46,457 - £61,808 |
| Group 2 | £48,808 - £66,517 |
| Group 3 | £52,643 - £71,590 |
| Group 4 | £56,579 - £77,048 |
| Group 5 | £62,426 - £84,976 |
| Group 6 | £67,183 - £93,732 |
| Group 7 | £72,306 - £103,334 |
| Group 8 | £79,748 - £114,060 |

Schools where the Principal is *permanently* accountable for more than one school

24. The Directors will arrange for a joint committee with the Chair of the Local Academy Committee or Governing Body (if outside the Company) from all the schools involved to be established to oversee the arrangements. This committee will have the power to deal with the pay and performance Appraisal of the Principal concerned. They will determine the pay range by the application of the total unit score of all the schools concerned. Any discretionary payments made will take account of the full responsibilities of the post.
25. Consideration will be given to the remuneration of other teachers who, as a result of the Principal's role are taking on additional responsibilities. This will be based on any additional responsibilities attached to the post (not the teacher).

Principals *temporarily* accountable for more than one school

26. In such circumstances such a role will be regarded as an acting headship on a temporary basis, will be time-limited, subject to regular reviews and will last no longer than 2 years.

In such temporary arrangements, the Principal is appointed on a fixed term variation of contract. A Memorandum of Understanding will be in place.

Additional note – ISR ranges

Current ISR ranges for leadership posts have, in the main, been the historical range prior to conversion. During Autumn 2018, in consultation with Principals, the ISR ranges were revised in readiness for 2019 – 2020. The revisions were to ensure consistency across the schools and to consider the ISR ranges of one form entry schools where there is a recruitment issue.

The information regarding ISR ranges, will be circulated separately in a document in the current year and will be included in the Pay Policy for 2019 -2020.

Pay Progression based on Performance

27. The provisions for pay progression apply to pay decisions for **all** members of the leadership group for September 2019.
28. Performance and salary reviews for members of the leadership group will take place every year on or after 1st September and before 31st December. There is no requirement for leadership teachers to apply for progression within their pay ranges.
29. For performance reviews in 2019, reference will be made to the appropriate appraisal arrangements. The Remuneration Committee will ensure that performance based progression reflects individual performance. It will determine the criteria for pay progression and the performance objectives set in the previous year in line with the School Improvement/Development Plan when awarding performance points.
30. The Remuneration Committee will be satisfied that there has been a 'sustained high quality of overall performance' having regard to the most recent appraisal outcome before awarding an additional reference point.
31. Where the performance is exceptional it may award a bonus of 1.5% of the relative increment point on the leadership scale. This will be considered by the Remuneration Committee. For the purpose of this policy 'exceptional performance' means performance beyond the scope of the appraisee's job description and performance objectives, and that has led to whole school improvement. There should be a clear rationale and this should be communicated in any letter regarding the pay decision.
32. The Pay Review Committee will be the reviewer for the Principal, objectives set for 2019/20 will link to the School Improvement/Development Plans and self-evaluation. The Pay review committee will be made up of the CSEL, Academy Representative (1 or 2) and the Link Foundation. This committee will recommend any pay decisions to the Remuneration Committee which will ratify the decision. For Vice Principals, the Local Academy Committee will make the recommendation (from the Pay Review Committee reviewing all teachers) and recommend a decision to the Remuneration Committee. In each school, judgements of performance for members of the leadership group will be made against the National leadership standards.

Classroom Teachers

Basic Pay Determination on Appointment

33. The Academy Committee will determine the pay range for a vacancy prior to advertising it. On appointment, it will determine the starting salary within that range to be offered to the successful candidate having regard to any qualifications or experience they may have which they consider of value. In making such determinations, the Academy Committee may also take into account a range of factors, including:
 - the requirements of the post;
 - any specialist knowledge required for the post;
 - the experience required to undertake the specific duties of the post;
 - the wider school context.
34. On appointment the starting salary will be determined within the range offered at a point no less than the teacher's current salary.
35. Where an unqualified teacher becomes qualified whilst continuing to work at this school they will be paid at a salary on the qualified teacher range that is at least the same as the salary being paid to them on the unqualified range.

Pay Progression based on Performance

36. Teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the school's Appraisal Policy. Teachers will be eligible for pay progression providing they have completed at least six months in the role.
37. The Romero Catholic Academy follow the provisions of the **STPCD 2019** in September 2019 and award a point on the main scale pay range, unless the teacher has been notified that their service has been unsatisfactory for the previous academic year. This discretion will only normally be exercised in the context of the school's Appraisal Process.
38. The Directors will determine the Company's own reference points. Consideration will be given to issues of equality and equal pay. The pay scale for the main pay range effective from 1 September 2019 in this school is:
(A recommended range for use is:
- | | |
|--------------------------|----------------|
| <i>(Minimum) Point 1</i> | <i>£24,373</i> |
| <i>Reference Point 2</i> | <i>£26,298</i> |
| <i>Reference Point 3</i> | <i>£28,413</i> |
| <i>Reference Point 4</i> | <i>£30,599</i> |
| <i>Reference Point 5</i> | <i>£33,010</i> |
| <i>(Maximum) Point 6</i> | <i>£35,971</i> |
39. Decisions regarding pay progression for **September 2019** will be made with reference to the teacher's appraisal reports, where judgements of performance will be made against the objectives and relevant standards and the pay recommendations they contain. In the case of NQT's, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.
40. To be fair and transparent, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the pay policy and pay decisions.
41. The evidence used will originate in the school's Appraisal Process.
42. Teachers' appraisal reports will contain pay recommendations. Final decisions about whether or not to accept a pay recommendation will be made by the Governing Body, having regard to the appraisal report and taking advice from the senior leadership team.
43. The Academy Committee will consider its approach in the light of the school's budget and ensure that appropriate funding is allocated for pay progression at all levels. In this school, judgements of performance will be made against National teacher standards.

Movement to the Upper Pay Range

Applications and Evidence

44. Teachers may apply to be paid on the upper pay range with effect from 1st September 2019 when they consider that they meet the criteria specified in the School Teachers' Pay and Conditions Document. On rare occasions, in light of their appraisal report, they may do so before they reach the maximum of the main pay range.
45. Applications (via a written letter) may be made once every academic year, by 30th September.
46. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. This school will not be bound by any pay decision made by another school.
47. Where a teacher is subject to the 2011 Regulations or the 2012 Regulations, the relevant body shall have regard to the assessments and recommendations in the teacher's appraisal reports under those regulations.

All applications to move to or through the Upper Pay Range, should include the results of reviews or appraisals for the last two academic years and demonstrate that good progress has been made towards objectives (or, where that information is not applicable or available, a statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria, using evidence from the previous 24 months

Applications (via a letter outlining your case) should be made to the Principal.

The Assessment

48. An application (via letter) from a qualified teacher will be successful where the Academy Committee is satisfied that:
- a) the teacher is highly competent in all elements of the relevant standards; and
 - b) the teacher's achievements and contribution to the school are substantial and sustained.

49. For the purposes of this pay policy:

'Highly competent' means performance which is not only good but also enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice. At least two examples of mentoring support must be evidenced, along with the impact it has had.

'Substantial' means of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning).

'Sustained' means that performance has been maintained over a period of 12 months (minimum).

50. The application will be assessed robustly, transparently and equitably by the Principal. A response from the reviewer together with the opportunity of feedback (which will include the opportunity to present further evidence as appropriate) (under section 2.1 of the Appeals procedure attached at Appendix 1) will take place before a recommendation is made to the appropriate committee of the Academy Committee.

Final recommendations from the reviewer (including recommending 'unsuccessful') will be made to the appropriate committee of the governing body within 20 working days.

51. Decisions and feedback will be provided by (Principal, Line Manager/Subject Leader) as soon as possible and within 10 working days of the decision. The feedback will cover reasons for the decision and the appeals arrangements open to the teacher. Any appeal against a decision not to move the teacher to the upper pay range will be heard under the school's pay appeal procedure, Appendix 1.

If successful, applicants will move to the upper pay range from the previous 1 September of that year and will be placed onto Point 1 of the upper pay range. Any subsequent applications which clearly show the teacher continues to maintain the criteria set out above and has met their objectives, the teacher will then move to the second point of the Upper Pay Range, or if already on the second point will move to the top of the Upper Pay Range.

The Directors have determined the Company's own reference points. Consideration will be given to issues of equality and equal pay. The payscale for upper pay range from 1 September 2019 in this school is:

| | |
|-----------------------------------|----------------|
| <i>(Minimum)Reference Point 1</i> | <i>£37,654</i> |

56. The Local Academy Committee will determine pay progression such that the amount is clearly attributable to the performance of the leading practitioner. The Local Academy Committee will be able to objectively justify its decision.

Unqualified Teachers

Basic Pay Determination on Appointment

57. The Local Academy Committee will pay any unqualified teacher in accordance with paragraph 17 of the STPCD. The Local Academy Committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience they may have, which they consider to be of value. The pay committee will consider whether it wishes to pay an additional allowance, in accordance with the STPCD.
58. With effect from 1 September 2019 the Directors will determine the Company's own reference points. Consideration will be given to issues of equality and equal pay. The pay range for unqualified teachers effective from 1 September 2019 in this school is:

60. With effect from 1 September 2019, in order to progress up the unqualified teacher range, unqualified teachers will need to show that they have made good progress towards their objectives. To be fair and transparent, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the pay policy and pay decisions.
61. The evidence used will originate in the performance management cycle.
62. Pay progression on the unqualified teacher range will be clearly attributable to the performance of the individual teacher.

Part Time Teachers

63. Part-time teachers will be paid on a pro-rata basis in relation to a full-time teacher in line with the STPCD 2019 and the Local Academy Committee will provide them with a written statement detailing this. Any additional hours worked in the same role, in agreement with the part-time teacher, will be paid at the same rate.
64. The Principal will direct time for part time teachers for which INSET days they will be required to attend. This will fall under 'directed time' and will not be paid as overtime. The amount of INSET days required will be proportionate to time worked. For example a teacher who is 0.6 would be expected to attend 3 of the 5 inset days per year.

Short Notice/Supply Teachers

65. Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata.

Pay increases arising from changes to the STPCD

66. All teachers are paid in accordance with the statutory provisions of the School Teachers Pay and Conditions Document 2019 and should be aware that this is updated from time to time. Pay increases resulting from the annual School Teachers Review Body Report and within the School Teachers Pay and Conditions Document will be considered by the pay committee and the affordability will be considered before determining if they shall applied to all pay scale points within the Academy

The duration of the fixed term will be established at the outset and payment will be made on a monthly basis for the duration of the fixed term.

70. Although a teacher cannot hold a TLR1 and a TLR2 concurrently, a teacher in receipt of either a TLR1 or a TLR2 may also hold a TLR3.

Acting Allowances

71. If a teacher is assigned and carries out the duties of a member of the leadership group, but has not been appointed as an acting Principal, Vice Principal or Assistant Vice Principal, the Local Academy Committee must decide, within four weeks, whether the teacher should be paid an allowance based upon;

(this does not apply to the provision of services by the Principal to the school in relation to which the Principal has been appointed either on a permanent or temporary basis).
74. The Pay Committee will make additional payments to teachers in accordance with the provisions of the STPCD 2019:
- payment made on the basis of the teacher's current hourly rate as calculated using:*

Additional duties outside of the STPCD

76. Teachers and Principals will not be paid twice for the same time worked. The proportion of any payment for external services that should be paid to the teacher/Principal and the proportion that should be paid to the school will be agreed in advance in accordance with the determinations of the governing body. Payment to the individual teacher/Principal will be based on work, including preparation, done outside of normal school/working hours.
77. Any payment to a Principal under STPCD 2019 will be subject to the overall limit on discretionary payments.

Recruitment and retention incentives and benefits

79. No awards for recruitment and retention benefits will be made to a Principal, deputy or assistant Principal, other than as a reimbursement of reasonably incurred housing or relocation costs.
80. Where the Remuneration Committee is making one or more such payments, or providing such financial assistance, support or benefits in one or more cases, they will conduct a regular formal review of all such awards. The Remuneration Committee will make clear at the outset the expected duration of any such incentives and benefits, which will be reviewed every twelve months unless there are exceptional circumstances.
