Introduction

Are you looking for a way to live out your faith and serve your local community at the same time? If so, becoming a Foundation Governor could be just the thing for you. There are more than 2200 Catholic schools in England and Wales, making the Church the largest provider of secondary and second largest provider of primary education in the country.

Foundation Governors play an important part in maintaining and developing the Catholic character of these schools. This booklet will explain the role of a Foundation Governor (either as Foundation representative on a school Academy Committee or Foundation director on the Board of Directors) and how you can go about applying.

01 What is a Foundation Governor?

They are appointed by the local Bishop

They represent the Bishop's education policy to the governing body

They preserve and develop the Catholic ethos of the school

What is an Academy Committee and an Academy Foundation Representative?

The Romero Catholic Academy is looking for Foundation Representatives to serve an Academy Committee for an individual school, or a Foundation Director to serve on the Board of Directors.

All schools in Romero, have a governing body, an '**Academy Committee**' comprising of different types of governors. One each Academy Committee in Romero, we have two elected **Parent representatives** and two elected **Staff representatives**. In addition to these categories, governing bodies in Catholic schools also include **Foundation representatives**, these Foundation Governors will always form a majority and we have approximately seven appointed for each school.

The Board of Directors delegate local responsibilities to the **Academy Committee Representatives** including day to day operational matters such as Catholic Life, health and safety, admissions, holding the Principal to account for the quality of education, staffing appointments (everything other than the Principal and Vice Principal and in the case of Cardinal Wiseman the Head of RE and Chaplain), developing the unique identity, local community and traditions for the school.

What is the Board of Directors and a Foundation Director?

The **Board of Directors** comprises of a range of governors. There are two elected **Staff directors**, a **Catholic Senior Executive Leader (CEO)** and eight **Foundation directors**. Collectively, they provide strategic direction across all eight schools and they are responsible for preserving and developing the Romero's Catholic character at all times. This overriding duty (which is also a legal duty) should permeate everything that the Directors do. In addition:

- MAC Directors are company directors and charity trustees.
- The Directors are responsible to the Archbishop, to the Government and to the MAC Members for the quality of education in the academies.
- Directors are responsible for the general control and management of the administration of the MAC.
- Directors have a duty to uphold the MAC's objects and to comply with any directives, advice and/or guidance issued by the Archbishop via the DES.

Foundation Governors (Directors and Representatives) are appointed by the local Bishop specifically to preserve and develop the Catholic ethos of the school and represent the Bishop's education policy (e.g. worship and religious education) to the governing body. This is why Foundation Governors will always outnumber other governors on either the local Academy Committee or the Board of Directors. There is no magic formula about what makes a perfect Foundation Governor, they come from all walks of life and all ages. But it is important that each governing body has a good mix of skills, knowledge and experience. The Archdiocese of Birmingham, manages the process for the appointment of Foundation Governors and provides support to governing bodies in carrying out their responsibilities.

Hold the Head teacher and leadership team to account

Oversee the financial performance of the school and set the school's budget

Manage the school's admissions criteria.

Recruitment of senior leadership

Responsibilities and Time Commitment

The average Foundation Governor role will take up about 10-12 hours per month. However, this can vary depending on the school calendar or by events, such as an Ofsted inspection. This commitment includes the minimum requirement of attending three full governor meetings per year and serving on at least one committee. The committees will focus on areas such as finance, curriculum, pupil progress and site management. You will also be encouraged to attend free training sessions. These will often be provided by your diocese.

03 What are the time commitments and responsibilities?

10 - 12 hours per month*

Attend at least three full governor meetings a year and sit on at least one sub committee

Attend training courses provided by your diocese

*This can vary depending on the school calendar or by events such as an Ofsted inspection

Do I Fit The Criteria?

Governors come in all shapes and sizes. But it is important that each governing body, whether it is a Board of Directors or Academy Committee, needs a good mix of skills, knowledge and experiences. Because not all governing bodies need the same skills, to be successful, it is vital that individuals from all backgrounds volunteer to be a Foundation Governor. Any practising Catholic over the age of 18 can become a Foundation Governor. As part of the self-nomination process, you will need to give the contact details of your parish priest who can verify this.

04 Who can be a Foundation Governor?

18+

All Foundation Governors must be over 18

To be a Foundation Governor you must be a practising Catholic

Good governing bodies have a wide range of skills and experiences

Recruitment Process

If you think you might make a good Foundation Governor, you should nominate yourself for consideration. You may already have been encouraged to nominate yourself by your Parish Priest, a Head teacher, a Chair of Governors or someone else in the Catholic community. The application forms for nomination can be found on the vast majority of diocesan websites. Simply fill them in and post to your respective diocese. Your diocese will then process your application and once they have verified that you are a practising Catholic and that you have passed all the necessary safeguarding checks they will allocate you to a school where there is a demand for your particular skill set.

F.A.Q
