1. Introduction

This guidance and addendum must be read in conjunction with The Romero Catholic Academy Covid19 Risk Assessment tool available to Coventry Schools. That guidance sets out safe systems of working within an all age primary school.

This addendum provides additional considerations, to be taken into account in determining safe methods of working specifically in the early years (Nursery, reception and Year 1)

It is designed to integrate with the whole school risk assessment and is therefore additional to, not instead of and will enable you to review and track your individual readiness to reopen your nursery or early years setting in line with COVID-19 requirements.

The EYFS sections cover:

1. Social distancing practicalities
2. Personal, Social and Emotional Development
3. Quality of education
4. Hygiene and Staying Safe in the context of the EYFS
5. Additional (left blank for you to fill in)

Within each section some initial risks and some possible actions that could be taken to control or mitigate the risks have been pre-populated for you. However, these are only **initial suggestions** and it is vital that you **tailor** this risk assessment by **amending / adding to these** as required to ensure you have captured all relevant risk information specific to your setting.

Model COVID-19: Operational Risk Assessment for school reopening – EYFS Considerations

Please note: this risk assessment should be undertaken in conjunction with the covering guidance which absorbs statutory requirements and Government guidance available as at 18th May 2020. Control measures have been used to exemplify actions that could be taken to mitigate the risk, which you can use or change. Please add additional Activity (risks) as deemed necessary and delete any activity that does not apply to your school. The table is designed to enable you to re-order risks/priorities as required.

Assessment conducted by:	Lorraine Stanton Pat Garner Leanne Hicks	Job title:	Principal Chair EYFS Lead	Covered by this assessment:	Staff, pupils, contractors, visitors, volunteers

Planning for availability of places	L	<ul style="list-style-type: none"> All children in Reception are eligible to attend. This will need to be considered in relation to available staffing and space. A phased return may be necessary with staggered groups, Reception followed by Year 1 and year 6 pupils. Planning for return takes full account of critical worker and vulnerable children who need to be in school every day Reduce class and group sizes e.g. 1:8 / 1:10 EYFS framework still applies with the published disapplication's Ensure any planned smaller groups and staff within the EYFS stay together consistently and do not mix or blend with other groups Where provision is sessional ensure sufficient time is allowed between every session for cleaning Plan mid-week and end of week deep cleaning and build in time for this or at other times dependent upon your staggered re-entry plan Consider rotas of schooling e.g. 2 days of schooling per week 	Y	<ul style="list-style-type: none"> In the first instance, Bubble 1 and Bubble 2 will be made up of 4 pupils and 2 staff members. This allows for appropriate support for children with needs. At no point will either group exceed 10 – only 19 in the year group. 	L
Safety at the beginning and end of session/school day	L	<ul style="list-style-type: none"> Pupils to come straight into school through a pre-determined entrance relevant to the schools EYFS context in which children need to be handed to an adult as a safeguarding control 	Y	<ul style="list-style-type: none"> Reception pupils will enter through the main entrance at 9.15. Their pickup time is at 2.45. A member of staff will be at the door both at the start and the end of the day. 	L
Supporting social distancing in classrooms/learning environment areas	M	<ul style="list-style-type: none"> Remove excess furniture, tables, chairs etc and set up learning areas that are well spaced to facilitate children working at a distance where possible. It is understood that younger children will not always be able to sustain the 2M distancing guidance Increase opportunities for outdoor learning, and for small group time Consider how to manage staggered start and finish times safely for younger children Support children in using handwashing and toilet facilities throughout the session rather than together Where there is only one room for the EYFS provision, provide different spaces for different groups of children by arranging furniture in a different way Where lining up is essential e.g. fire drill, use floor markers for younger pupils Clear age appropriate signage displayed in classrooms promoting social distancing see: E-bug posters 	Y	<ul style="list-style-type: none"> Excess furniture and soft toys have been stored in the KS1 houses on the playground. Only equipment / resources that are easily cleaned will remain at workstations for the children to use. A snuffle station has been set up in the class – personal hygiene will be discussed regularly in class. Reception pupils will enter through the main entrance at 9.15. Their pickup time is at 2.45. A member of staff will be at the door both at the start and the end of the day. A fire drill has been planned for the first week the children are in. 	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
Managing at lunch and snack time	L	<ul style="list-style-type: none"> Lunch sessions, supported by a keyperson allocated to the group for the sessions a particular group of pupils attend for Children supported to wash hands before and after eating snacks and lunch 	Y	<ul style="list-style-type: none"> Claire Chapman is the allocated keyperson for lunchtimes. Grab bags will be provided for the children. When the weather permits, children will eat on the KS1 playground (allocated outside space) 	L
Social Distancing at breaktime	M	<ul style="list-style-type: none"> Support children in making best use of the space outdoors Review the use of fixed outdoor equipment and the resources children use, it will need to be cleaned in between different groups using it 	Y	<ul style="list-style-type: none"> The KS1 trim trail will be out of use. 	L
Understand that some children may struggle with the return to routine and full-time education (almost like a second September start) Understand that some children will find returning to school emotionally overwhelming, or they lack the stamina or resilience to cope well	M	<ul style="list-style-type: none"> Provide parents with information prior to the start date so that they can prepare the children e.g. <ul style="list-style-type: none"> Share the structure of the new session with parents Share that the child will see some but perhaps not all their friends in school, so they can be prepared for this Give some examples of the activities that will be offered so children can look forward to this and explain using photos what looks different, so this is not a shock. Encourage parents to begin to structure of the day at home to begin to mirror the routine e.g. prepare a lunchbox Staff to tailor the provision on offer to meet the needs of the children, including enabling children the opportunity to share their worries and feelings through play A phased timetable, with a clear end date, to be used where children need support in settling back into the school/setting 	Y	<ul style="list-style-type: none"> We have provided parents with a Covid 19 home school agreements Weekly Mission Assembly via TEAMS Wellbeing planned for throughout the days the children are in 	L
Understand that some pupils may be extremely unsure about where and who is safe e.g. some might be worried to move around /engage with others due to 'the bug/virus'	M	<p>If applicable, prior to re-admission Keyworker staff to liaise with parents about:</p> <ul style="list-style-type: none"> how much time the child has spent out of the house in recent weeks what does the child understand about the Covid-19 virus and are they worried about it? whether the parent has any concerns, fears or worries? Keyperson to provide reassurance and maintain a dialogue via phone/email in respect of this 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
<p>Understand that some EYFS pupils may have experienced a bereavement in their family during the school's closure (possibly in relation to COVID-19)</p>	M	<ul style="list-style-type: none"> • If applicable, prior to re-admission, EYFS lead / keyperson encourage parents to share any significant information about their child with the school (via e-mail/telephone if possible) • Provide in-school support and a named key person to support the child • If required, access specialist support for the child and their family • Consider the need for training for staff to support children and families • Consider the impact of children and family distress on staff, what system is in place for staff to share how they are feeling / coping? 	Y		L
<p>Understand that some children with social and emotional difficulties may struggle with managing their behaviour when returning to school and the routines of school life</p>	M	<ul style="list-style-type: none"> • Children who need to develop early learning skills, are experiencing emotional withdrawal or anxiety are identified • Anticipate what support children might need and work with families and colleagues within/beyond the school as needed • Place emphasis on school being a positive experience for the child and adapt session times and routines accordingly • Review the EYFS behaviour policy to reflect the additional support on offer • Ensure all staff understand any changes to the EYFS behaviour policy and can implement these consistently • Ensure parents have advance notice of start date, so that they can prepare their child for the return to school e.g. <ul style="list-style-type: none"> ○ walk to school and back home each day ○ structure the day at home to begin to mirror the day at school ○ Give some examples of the activities that will be offered so children can look forward to this • A phased timetable, with a clear end date, to be used where the child needs support in settling back into the school/setting • Where children have difficulties, plans will be put into place to support them. However, if behaviour is unsafe for others, parents will be contacted and guidelines followed. 	Y	<ul style="list-style-type: none"> • 2 members of staff have been allocated to each reception bubble to support children with social / emotional difficulties. • Telephone conversations with certain parents prior to the child returning highlighting expectations in line with government guidelines. • Home school agreements signed by parents. • Carefully considered activities for workstations to engage children whilst adhering to government guidelines. 	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
Understand that some parents may be reluctant to send their child back to school because of the risk of infection and bringing the virus back into the family home	M	<ul style="list-style-type: none"> Reassure parents of the social distancing strategies that are being followed in school and the social, emotional and academic benefits associated with their child being back in school Offer support relevant families to get their children back into school Sustain contact and support for learning at home 	Y	<ul style="list-style-type: none"> Thrive practitioner to regularly contact parents reassuring and sharing the second round date with them. 	L
<p>How do practitioners manage the ongoing learning for children who have been attending?</p> <p>Support those who are returning to learning and:</p> <p>compensate for the gaps in pupils' knowledge and skills that will have developed following their extended absence from school?</p>	L	<ul style="list-style-type: none"> The priorities for young children currently are settling, PSED, resocialisation into new style school routines; speaking and listening and regaining momentum in particular with early reading. Use observational assessment on re-entry in an efficient, timely manner, to inform next steps. Consider the online learning that children may have engaged in during the school closure. Timetables and staffing model determined to secure curriculum delivery for class-group size Gaps in learning are assessed and addressed in teachers' planning because there is a period of time taken to Identify what key knowledge and skills are needed. gaps are unlikely to be closed immediately so adjust planning over coming months to reflect this. Target those pupils with greatest need of additional support. Put plans for intervention are in place for those pupils who have fallen behind in their learning. Use pupil premium funding / EYPP to provide disadvantaged pupils with more intensive support Follow the child's interests to develop confidence and engagement in the learning process Share learning with parents and how they can support at home Timely assessment of children with SEND linked to their specific targets on return to school, alongside bespoke interventions planned throughout the day and week – whilst always focusing first on settling the child and ensuring emotional well-being 	Y	<ul style="list-style-type: none"> During week beginning June 1st, staff to plan for the children's learning based on their prior knowledge of the children and taking into account these unprecedented times. 	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
How do practitioners offer high quality resources to support children's learning	L	<ul style="list-style-type: none"> Adapt the learning environment and resources to meet the current level of development, but still ensure sufficient challenge is in place and plan to move this on as children return to the expectations of sustained attention Remove soft furnishings, soft toys, malleable materials etc and offer resources that are easy to clean after every use Look at reorganising sets of resources for individual groups to use, or use staggered return approaches to operate a split week Where possible provide each child with their own resources to use and avoid sharing resources. Look at use of small individual trays for exploring resources Offer a more limited range of resources within areas of the environment e.g. a few carefully chosen books, a slimmer selection of small world resources Encourage children to learn outdoors in the fresh air – always cleaning resources after each use and not allowing children to share resources e.g. bikes, balls. 	Y	<ul style="list-style-type: none"> Excess furniture and soft furnishings and toys have been removed to the houses on the KS1 playground. Only equipment / resources that are easily cleaned will remain at workstations for the children to use. Use of outdoor area where possible for learning. 	L
Transition / End of year reports will contain limited information	L	<ul style="list-style-type: none"> EYFS team to produce the reports with the information they currently have and School leaders to explain to parents that the report is limited Put a plan in place for pastoral staff to speak with pupils and their parents about the next stage in their education and resolve any issues. Virtual tours of the school are available for parents and pupils. Online induction days for pupils and parents are planned Provide information about EYFS at the school in a range of formats 	Y	<ul style="list-style-type: none"> A written end of year report to be given to parents. The report will only focus on children's learning up to March 20th. Where parents would like to discuss the report, telephone appointments will be arranged. Communications to be sent out to parents regarding transition in September and the changes that will be made in September to allow children to settle into their new class. For children entering our Reception in September, a virtual video tour will be sent out to parents. If guidelines allow, 3 parent meetings will be arranged (this allows for a maximum of 10 parents in each meeting, allowing for social distancing) 	L
Online or home learning may need to continue for some pupils, running alongside return to school for other pupils.	L	<ul style="list-style-type: none"> Consider how every day activities can be used as sources for learning at home encouraging independence, and perseverance to build resilience <ol style="list-style-type: none"> Make use on the wide range on online resources 	Y	Thrive practitioner to call the families of children who have not returned every fortnight.	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
How to support children maintaining regular levels of hand washing/hygiene	M	<p>Practitioners to give handwashing highest priority in the setting:</p> <ul style="list-style-type: none"> Consider how to make this fun and how to integrate singing and counting. Agree and implement the same routine to build understanding Children to be directed and supported in washing hands/using anti-bacterial hand gel as soon as they enter the building at the start of the day and exit the building at the end of the day Practitioners to model and support regular hand washing opportunities (20 seconds) throughout the daily routine, including before and after food Practitioners to ensure there are adequate supplies of anti-bacterial hand gel and soap throughout the session 	Y	<ul style="list-style-type: none"> Posters to be displayed showing good handwashing technique. 	L
When children sneeze or cough, they will spread germs/bacteria	M	<ul style="list-style-type: none"> All staff to educate children about the need to cough/sneeze into a tissue or their elbow, dispose of tissue in a lidded pedal bin and wash hands for 20 seconds Gloves and disinfectant to be available in teaching areas in case a child coughs or sneezes on a piece of equipment A plentiful supply of tissues will always be available in the teaching areas indoor and outside – snuffle stations Lidded bins will be emptied and sanitised during the day as they become full 	Y	<ul style="list-style-type: none"> Snuffle station in the classroom. Children regularly reminded about the need of good personal hygiene. 	L
How can the school/setting limit the 'surfaces' that are shared between home and school?	M	<ul style="list-style-type: none"> Stop sending early learning resources home with children and do not receive any into school Paper based records of achievement will stay at School All correspondence out of school to be uploaded to the website and correspondence into school to come via a phone call or e mail Children will be discouraged from bringing personal items from home into school, with the exception of where it is needed a transitional item to support a child's emotional needs this will need to be cleaned upon arrival and should not be a soft toy. 	Y	<ul style="list-style-type: none"> No coats to be worn on warmer days. Sun cream to be applied at home. 	L

Additional site-specific issues and risks					
Schools to add any site-specific issues/arrangements here and ensure mitigation strategies are in place to address them					
If the weather is hot, children are at risk of sunburn whilst participating in outdoor activities	M	<ul style="list-style-type: none"> Parents advised to apply sun cream before school Parents encouraged to provide sun hats. 	Y		L
