

Romero Moves Up!

We are sorry that you could not be with us at Cardinal Wiseman today; however, that doesn't mean you are not in our thoughts.

Below are some challenges that you could complete from home, - don't forget to share your results with us on Social Media using the [#RomeroMovesUp](#) - we can't wait to hear from you!

ROMERO REFLECTS

Write a prayer asking for God's Guidance as you prepare to enter Year 6.

How can he help you?
When might you need him?

ROMERO SHINES

Measure yourself with a piece of string and note down 5 goals that you want to achieve when you're in Year 6. Bring these to add to our time capsule on your first day back in September!

ROMERO EXPLORES

In preparation for your learning about the sacrament of Confirmation - research the gifts and the fruits of the Holy Spirit. How many can you remember?

ROMERO VITALITY

Speed Bounce Challenge.
Find a cushion to jump over. Stand on one side, face forward and jump with 2 feet over your cushion, landing on 2 feet. Count how many you can do in 1 minute. Repeat throughout the day - can you beat your high score?

ROMERO SERVES

Are Saints superheroes?
Sketch a picture of a saint that you have researched and around the outside, list the qualities that could also make them a superhero.

How can you be like them?

ROMERO SETS SAIL

Create an [origami boat](#).
Write any worries you have about Year 6 on the boat, and place it in a pool of water. Imagine the boat sailing your worries away!

ROMERO REFLECTS

It is important to recognise that resilience is sometimes key to success. Listen to the words of this [song](#) - what can it teach us?
Write or draw your thoughts.

ROMERO COLLABORATES

Teamwork and good communication are vital qualities of any Year 6 pupil. Can you work with a member of your family to build a tower taller than you without talking to one another?!

We also have a 'Year Six Survival Kit' prepared and waiting for you when you arrive back at school in September!
