Definitions

In this **Covid-19 Risk Assessment**, unless the context otherwise requires, the following expressions shall have the following meanings:

- I. **'The Romero Catholic Academy'** means the Company named at the beginning of this **Covid-19 Risk Assessment** and includes all sites upon which the Company is undertaking, from time to time, being carried out. The Romero Catholic Academy includes; **Corpus Christi, Good Shepherd, Sacred Heart, Blue Sky, SS Peter and Paul, St Gregory, St John Fisher, St Patrick, Cardinal Wiseman, Shared Services Term.**
- II. **'Romero Catholic Academy'** means the Company responsible for the management of the Academy and, for all purposes, means the employer of staff at the Company.
- III. **'Board'** means the board of Directors of the Romero Catholic Academy.
- IV. **'Chair'** means the Chair of the Board or the Chair of the Local Academy Committee of the Academy appointed from time to time, as appropriate.
- V. **'Clerk'** means the Clerk to the Board or the Clerk to the Local Academy Committee of the Academy appointed from time to time, as appropriate.
- VI. **'Catholic Senior Executive Leader'** means the person responsible for performance of all Academies and Staff Team within the Multi Academy Company and is accountable to the Board of Directors.
- VII. **'Diocesan Schools Commission'** means the education service provided by the diocese, which may also be known, or referred to, as the Birmingham Diocesan Education Service.
- VIII. **'Local Academy Committee'** means the governing body of the School.
- IX. **'Academy Committee Representatives'** means the governors appointed and elected to the Local Academy Committee of the School, from time to time.
- X. **'Principal'** means the substantive Principal, who is the person with overall responsibility for the day to day management of the school.
- XI. **'School'** means the school or college within The Romero Catholic Academy and includes all sites upon which the school undertaking is, from time to time, being carried out.
- XII. **'Shared Services Team'** means the staff who work in the central team across the Company (e.g. HR/ Finance)
- XIII. **'DSL'** means the Designated Safeguarding Lead for each academy within the MAC

1. Introduction

Coventry's Partnership of schools have agreed a collaborative and consistent approach to secure the safe re-opening of schools across the City as set out in 'Coventry Schools Covid-19 Re-set and Recovery Plan' May 2020.

In preparing this guidance the Local Authority has had regard to advice from both the Health and Safety Executive and Government. It has noted that the Government has issued non-statutory guidance in which it is made clear that their advice "does not supersede any legal obligations relating to health and safety, employment or equalities and it is important that as an employer you continue to comply with your existing obligations". Consequently, Health and Safety Legislation has taken precedence.

This risk assessment guidance:

- Sets out the current context and statutory health and safety obligations
- Reflects the principles set out in Coventry schools Covid-19 Re-set and Recovery Plan
- Sets the context for conducting a risk assessment to reduce transmission of a disease within the school context
- Provides an exemplar risk assessment that can be adopted and adapted to any educational setting
- Provides a template to record a risk assessment method statement (RAMS) – setting out safe methods of working, which all staff should read, understand and sign
- Incorporates hyperlinks to sources of helpful information and resource

What is the risk? Covid19 is an infectious disease recognised internationally as a pandemic, the transmission of which must be controlled. The foreseeable risk in re-opening schools, is the potential transmission of Covid19 between members of the school community and consequently the wider community. This risk assessment therefore focuses on actions that are reasonably practicable to implement, that will reduce the risk of transmission of Covid19 as a consequence of re-opening schools to a minimal level.

Who is responsible? The employer is responsible for making sure that risks, particularly the risks to staff and pupils, are managed so far as is reasonably practicable. For The Romero Catholic Academy, it is the Board of Directors who consult the Academy Committee in each school.

Whilst it is recognised that the employer cannot delegate the overall legal accountability for the health and safety of employees; the day-to-day running of the school including responsibility for the health and safety of staff and pupils is ordinarily delegated to the Principal and school management team. Reference:

<https://www.hse.gov.uk/services/education/sensible-leadership/school-leaders.htm>

2. Overview of actions required for safe working

- Put in place sensible approaches to minimise the risk of Covid19 transmission to staff, pupils and visitors whilst in school.
- Communicate the risks and required safe methods of working (RAMS) to all building users
- Ensure that staff (employees) have the relevant information and training to manage risks on a day to day basis, including access to competent health and safety advice where needed.
- Check that the control measures have been implemented and remain appropriate and effective.
- Ensure that the control measures are monitored throughout the day and reviewed where necessary.

2.1 Key Message

Good health and safety is about keeping things simple, being proportionate and focusing on the real (substantive) risks. Procedures should be clear and concise with assessment of risk being practical. Good leadership is about getting the balance right on managing risk rationally, it is not about trying to eliminate it altogether.

2.2 What Leaders need to do

- Ensure that the school is following the employer's health and safety policy and has effective arrangements for managing the health and safety risks at the school.
- Maintain effective communications with employers, governors, and the school workforce, and give clear information to pupils and visitors, including contractors, regarding any significant risks on site.
- Make sure that the staff have the appropriate training and competencies to deal with risks in their areas of responsibility.
- Consult and work with recognised TU safety representatives/employee representatives and safety committees.
- Make sure that staff understand their responsibilities and know how to access support and advice to help them manage risks responsibly.
- Provide visible leadership to the whole school so that staff feel motivated, supported and empowered to focus on the things that really matter.

See: <https://www.hse.gov.uk/services/education/sensible-leadership/leadership-test.pdf>

3. Locally Agreed Principles

Coventry schools Covid-19 re-set and recovery Plan' May 2020

- The safety of everyone in school is paramount
- A consistent and co-ordinated approach and communication will be maintained across the Coventry school system
- A staggered slow and steady approach for pupils to return to school will be taken; to gradually build up confidence across the school community (staff, pupils, parents/carers)
- The absolute focus on encouraging all eligible vulnerable children to return to school will be maintained alongside provision for children of critical workers. In recognition of the importance that a child's early experience has on development, priority admission for re-opening will be given to Nursery, Reception and year 1. Year 6 will also be supported in preparing for a positive transition to secondary school. Years 10 and 12 will be prioritised by secondary schools to enable targeted elements of direct teaching.
- Only 8-10 pupils will be accommodated per classroom, with the premise that schools can manage the days differently to enable this (i.e. 2/3 days over two weeks allowing each child 5 days learning over two weeks). This number has been established through risk assessment, based on the application of the Government's 2 metre social distancing requirement where possible and expectation that there will be "*no more than 15 pupils in a group*".
- Adherence to social distancing will be maintained as far as practicably possible in all classroom and school environments
- Strong collaboration between primary and secondary schools, regarding transition of year 6 pupils will be established and maintained
- School organisational planning will minimise the number of pupils that each staff member has contact with
- Schools will reserve the option of a "staff re-set day" and other opportunities for staff to come on site prior to working with children
- For schools to be potentially closed for the half-term week commencing 25th May 2020.

4. What we know

The World Health Organisation (WHO) confirms that data from published epidemiology and virologic studies provides evidence that COVID-19 is primarily transmitted directly from symptomatic people (those infected with COVID-19 displaying symptoms) to others who are in close contact with the infected person. Respiratory droplets are passed on directly through coughing and sneezing, or indirectly by contact with contaminated objects and surfaces; where the virus may be transferred from the surface to the hand and then the face - eyes, nose or mouth. It is understood that people can be infectious before their illness starts. Therefore, to minimise the risk of transmission, settings must put into place effective infection protection and control. Ensuring appropriate social distancing in school, meticulous hand hygiene practice all serve to reduce risk significantly.

The hierarchy of controls: if properly implemented will substantially reduce the risk of transmission of infection.

These include:

Exclusion:-

- Minimising contact with individuals who are unwell by ensuring that those who have coronavirus symptoms, or who have someone in their household who does, do not attend childcare settings, schools or colleges. COVID-19 tests for symptomatic household member/s to confirm or negate a diagnosis should be promoted.
- Clinically extremely vulnerable individuals are advised not to work outside the home.
- Clinically vulnerable individuals who are at higher risk of severe illness (for example, people with some pre-existing conditions as set out in the [staying at home and away from others \(social distancing\)](#) guidance should work from home where possible.

Hygiene:-

- A stringent cleaning regime should be in place [COVID-19: cleaning in non-healthcare settings](#). At the highest level this could follow the advice set out in: [Covid-19-decontamination-in-non-healthcare-settings](#)
- Frequent cleaning and disinfecting of objects and surfaces that are touched regularly (touch points), should be undertaken using standard cleaning products or antiseptic wipes, both of which kill the virus. This may require settings to enhance cleaning capacity. It should be recognised that cleaners and caretakers provide the frontline in protecting everyone in school, but health and safety is everyone's responsibility so cleaning tasks may be undertaken by any member of staff as appropriate.
- Socialising hygiene routines including regular hand-cleaning regimes - washing hands thoroughly for 20 seconds with running water and soap, drying them thoroughly or using alcohol hand rub or sanitiser ensuring that all parts of the hands are covered. Identify specific situations when additional handwashing is required
- Ensuring good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach with follow up handwashing and cleaning/wiping of any contaminated area followed by safe disposal of waste
- Maximise natural ventilation and access to the external learning environment – do not use air conditioning

Social Distancing:-

- Secure social distancing whenever practicably possible, through footfall management and planned supervised movement throughout the school building
- Regulate entry so that the premises do not become overcrowded at any point and no 'pinch points' are experienced at ingress or egress
- Where it is possible to remain 2 metres apart, use floor markings/signage to mark the distance and facilitate compliance, particularly in corridors, hand cleaning areas, toilets and internal and external communal break areas
- Ensure the environment (such as classroom layout) and timetables are conducive with social distancing – remove all clutter and non-essential resources
- Minimise social contact by forming small fixed groups of staff and children and avoiding movement between or blending of groups whenever possible
- Where face-to-face contact is essential, this should be kept to 15 minutes or less whenever possible, contact should be side by side.
- Social distancing is not required in an emergency situation, e.g. medical emergency, fire evacuation etc. PPE should be used in a medical emergency if time permits (a first aid supply of PPE will be provided to all schools to secure an individual emergency situation, for example a sudden illness that may be Covid19 symptomatic of a child or staff member in school)

5. Summary

These underlying principles are the key focus for organising all aspects of the school day and need to be built into the operational routine. A model Covid19 operational risk assessment has been developed for City-wide use, which is pre-populated with generic safe methods of working. If adopted, this will need to be adapted to each specific setting. In addition to infection control, the risk assessment template and supporting resources extends to support additional health and safety considerations related to the consequences of Covid19 specifically:

- The risk assessment of vulnerable pupils including those with an EHC Plan - (separate process already embedded in special schools but readily transferable to mainstream). This will help determine who is safer or as safe in school
- Securing provision for SEN – balancing the risk of allowing external visitors into school with the duty of best endeavours to provide
- Health and safety audit of the school building checklist – for use by class teachers (HSE) to ensure that the overall building is safe to use in terms of trips, falls, lighting, electricity hazards etc.
- Staff audit and recovery plans for absence of leadership, teachers, non-teaching staff, cleaners, first-aiders and DSL
- Communicating with parents, staff, visitors and the general public
- Supporting the mental health and well-being of everyone in school
- Developing a recovery curriculum
- Maintaining support for home schooling

Model COVID-19: Operational Risk Assessment for school reopening

Please note: this risk assessment should be undertaken in conjunction with the covering guidance which absorbs statutory requirements and Government guidance available as at 18th May 2020. Control measures have been used to exemplify actions that could be taken to mitigate the risk, which you can use or change. Please add additional Activity (risks) as deemed necessary and delete any activity that does not apply to your school. The table is designed to enable you to re-order risks/priorities as required.

Assessment conducted by:	Lorraine Stanton – Principal Pat Garner – Chair	Job title:		Covered by this assessment:	Staff, pupils, contractors, visitors, volunteers
Date of assessment:	21.05.2020 09.06.2020 Reviewed 11.06.2020 with Sara Young / Louise Hurley 16.06.2020 / 18.06.2020 23.06.2020	Review interval:	1 week	Date of next review:	24.06.2020

Use this Risk matrix for the following risk assessment grids

Risk rating High (H), Medium (M), Low (L)	Likelihood of occurrence		
	High (very likely)	Medium (possible)	Low (remote)

Activity	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Additional controls	Residual risk rating (H/M/L)

Low (remote)

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
1. Establishing a gradual and safe approach for pupils and staff to return to school					
1.1 Establishing if the building is safe following an extended closure					
Health and safety risk assessments have not been reviewed. The health and safety audit is overdue.	L	<ul style="list-style-type: none"> Health and safety audit conducted by nominated staff and Governor (last check carried out on 01.06.2020. Additional visit by PG on 10.06.2020) Classroom audits undertaken using the HSE Health and safety risk checklist for classrooms Risk assessments are updated or undertaken before the school reopens, mitigation strategies are put into place and communicated to staff with appropriate training covering – shared with all staff during w/b 1st June and updated. Different areas of the school have been reviewed and repurposed for organisation Procedures for when pupils and staff enter and leave school Planned movement around the school during lesson, break and lunch times. Delivering aspects of the curriculum, especially for practical subjects and where shared equipment is used 	Y		L
Statutory compliance has not been completed due to the availability of contractors during lockdown	M	<ul style="list-style-type: none"> All statutory compliance is up to date. Where water systems have not been maintained throughout lockdown, chlorination, flushing and certification by a specialist contractor has been arranged. SSO file confirms check up to date 	Y	<ul style="list-style-type: none"> LA checklist is in the process of being completed by SBM / SSO 	L
1.2 First Aid/Designated Safeguarding Leads					
The lack of availability of designated First Aiders and Designated Safeguarding Leads may put children's safety at risk	M	<ul style="list-style-type: none"> First Aid certificates have been extended for three months by Gov't A programme for training additional staff is in place, using on-line training. Collaborative arrangements for sharing specialist staff with other schools in the locality have been agreed through the LA Potential deployment of staff from Romero schools and LA central staff A Paediatric First Aider has been rota-ed on every Mon/Tue and Thurs/Fri. All TAs are all first aid trained. The DSL is always available. All staff at least L1 safeguarding trained. PPE First Aid training delivered by Julie Fulea on 04.06.2020 to our Paediatric first Aid trained staff, SBM and Principal. Training videos shared with all staff. 	Y	<ul style="list-style-type: none"> LS attendance (virtual) safeguarding briefing – 30.06.20 	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
2. Determining the number of pupils that can be accommodated within the school infrastructure					
2.1 Organisation of Teaching Spaces and Communal Areas					
Classroom sizes will not allow adequate social distancing	M	<ul style="list-style-type: none"> • See Reset and Recovery plan for more details • Classroom size capacity audit undertaken using social distancing measure of 2m where possible– maximum number of people (children and adults) determined • Timetables and staffing model determined to secure curriculum delivery for class-group size • Classrooms are re-modelled, with chairs and desks in place to allow for social distancing. Any surplus furniture including ‘spare’ chairs are removed if possible and area de-cluttered • Clear age appropriate signage displayed in classrooms promoting social distancing see: E-bug posters • Ensure class groups and staff stay together consistently and do not mix or blend with other groups • Where individual staff are in a bubble, if there is a problem, a call is to be made to the office for support • Prior to children returning on 08.06.2020, an additional bubble was created for KWV. The number of pupils in each bubble in Reception 4. Year 1 have 1 bubble with 6 pupils, but we have the capacity to grow this to another bubble if needed. Each bubble in Y6 has 9 pupils and the KWV bubbles have 8 and 5 pupils respectively – we have kept family members together. There is capacity for all groups to grow – although this capacity does vary depending on the year group. • Request for final places in Reception, Y1 and Y6 in newsletter dated 12.06.20. Parents to contact school by 17.06.20 if place is required. Limited places available. 3 new children joined – 1 x Y1 / 2 x Y6. 	Y		L
Large spaces that need to be used as classrooms	L	<ul style="list-style-type: none"> • See Reset and Recovery plan for more details • Set group size limit for large spaces (e.g. hall, sports hall, dining hall) that match teaching group size. • Large gatherings of pupils and/or staff are prohibited, compliance is supported by signage, training and monitoring • Design layout and arrangements in place to enable social distancing. • Assemblies will take place via TEAMS. First TEAMS Mission Assembly took place on 08.06.20 	Y		L
Staff rooms and offices do not allow for observation of social distancing guidelines	L	<ul style="list-style-type: none"> • Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing - The office is limited to 2 members of staff. • Staff are discouraged from congregating in communal spaces and are encouraged to eat observing social distance alone or with their designated team - Staff have either been allocated the staffroom or sanctuary for their break times allowing for social distancing. • Cleaning materials are available for use in the staffroom / sanctuary 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
2.2 Availability of Staff and Class Sizes					
<p>The number of staff who are available is insufficient to safely teach classes in school, operate effective home learning schemes and safeguard children not in school</p>	L	<ul style="list-style-type: none"> ▪ The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. ▪ Any staff member who is identified as clinically extremely vulnerable is not permitted onto school premises. Staff members who are clinically vulnerable are strongly advised to stay at home ▪ Staff are aware of the current symptom checker for Covid-19, including high temperature, persistent cough and loss of taste and smell and understand that they are not permitted to attend school if they or a household member is symptomatic ▪ All staff are aware of the testing procedure and report their illness or the illness of a household member immediately to enable testing to take place within 3 days of onset. ▪ Full use is made of those staff who are self-isolating or shielding but who are well enough to teach lessons online. ▪ Flexible and responsive use of teaching assistants and pastoral staff is in place to supervise classes under the direction of a teacher if required ▪ A blended model of home learning and attendance at school is utilised until staffing levels improve. ▪ An appropriate hierarchy of deputization is in place should a senior leader be unavailable. This might include external leadership capacity ▪ The current provision allows for two members of staff where needed e.g. pupils with EHCP plan / additional needs. ▪ Bubbles were revised prior to reopening to wider pupils on 08.06.2020. There is capacity to grow another bubble if required for either Year 1 or a KWV bubble. ▪ Parents were contacted where pupils had EHCPs in place or specific needs – Ras indicated where they were best placed. ▪ Individual RAs have been conducted with staff where the staff member has been classed as CEV or CV 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
2.3 Testing and Managing Systems					
Testing is not used effectively to help manage staffing levels and support staff wellbeing	M	<ul style="list-style-type: none"> Guidance on accessing a priority test for symptomatic household members has been brought to the attention of all staff Staff share the outcome of the test with their employer 	Y		L
Infection transmission within school due to staff/pupils (or members of their household) displaying symptoms	M	<ul style="list-style-type: none"> Pupils, parents and staff are aware of what steps to take if they, or any member of their household, display symptoms. This includes an understanding of the definitions and mitigating actions to take in relation to the terms clinically vulnerable and clinically extremely vulnerable should these apply. BAME - to consider the risks when planning the rota, as evidence from the Office for National Statistics shows a greater impact of Covid 19. Robust collection and monitoring of absence data, including tracking return to school dates, is in place Procedures are in place to deal with any pupil or staff displaying symptoms at school. This includes safe isolation procedures, departure and cleaning. A record of any COVID-19 symptoms in staff or pupils is reported to Shared Services Team. Public health advice is followed. Risk Assessment for CV and BAME See Reset and Recovery plan for more details Use of Thrive room for anyone demonstrating COVID symptoms. PPE will be available for use within this room. The room is well ventilated and has external access for parents collecting child. SSO to be alerted if this room has been used for a deeper clean. Cleaning Policy updated and shared with relevant staff 	Y		M
Staff, pupils and parents are not aware of the school's procedures (including on self-isolation and testing) should anyone display symptoms of COVID-19	H	<ul style="list-style-type: none"> See Reset and Recovery plan for more details Staff, pupils and parents have received clear communications informing them of current government guidance on the actions to take should anyone display symptoms of COVID-19 and how this will be implemented in the school. This guidance has been explained to staff and pupils as part of the induction process and systems are in place to validate understanding Any updates or changes to this guidance are communicated in a timely and effective way to all staff and partners 	Y		M
Staff, pupils and parents are not aware of the school's procedures should there be a confirmed case of COVID-19 in the school	H	<ul style="list-style-type: none"> See Reset and Recovery plan for more details Staff, pupils and parents have received clear communications informing them of current government guidance on confirmed cases of COVID-19 and how this will be implemented in the school. This guidance has been explained to staff and pupils as part of the induction process. 	Y		M

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
2.4 Prioritising Provision: determining which children will be in school taking into account social distancing requirements and staffing					
<p>The continued prioritisation of vulnerable pupils and the children of critical workers will create ‘artificial groups’ within schools when they reopen</p>	L	<ul style="list-style-type: none"> • See Reset and Recovery plan for more details • Plans are in place to meet the learning needs of the children who are outside of the main cohorts (reception, year 1 and year 6) attending school. • Pastoral and SEND support is deployed wherever possible to support prioritised pupils. • Efforts continue to improve the attendance of vulnerable pupils and those from disadvantaged backgrounds. • A plan is in place for the phasing in of the other cohorts at phase 2 • Ongoing risk assessments are in place to identify children whose circumstances may have changed when initial decisions were made • Additional capacity available for Vulnerable pupils that fall outside of the initial returning year groups. • There is inhouse capacity for the return of one bubble for Y2, 3, 4 and 5. • From June 1st, our Thrive Practitioner to liaise with identified vulnerable families plus families identified at a later date by outside agencies / teacher phone calls. • Prior to children returning on 08.06.2020, an additional bubble was created for KWV. The number of pupils in each bubble in Reception 4. Year 1 have 1 bubble with 6 pupils, but we have the capacity to grow this to another bubble if needed. Each bubble in Y6 has 9 pupils and the KWV bubbles have 8 and 5 pupils respectively – we have kept family members together. There is capacity for all groups to grow – although this capacity does vary depending on the year group. • Additional markers added to the playground to separate areas for when the field is too wet to play on w/b 08.05.2020 • Year 4 classroom cleared to allow for an additional KWV bubble w/b 08.05.20 • Additional arrows painted onto the one-way entry system to aid parents w/b 08.05.20 • All bubble has been given a PE bag with easily wipeable equipment • LAC – 1st July 2020 	Y		L
<p>Children who most need to be in school, may not be identified through the age categorisation or parental decision</p>	M	<ul style="list-style-type: none"> ▪ Vulnerable pupils including those with an EHC Plan have been subject to a risk assessment under the LAs guidance for SEND (based on Government guidance) ▪ Children who need to develop early learning skills, are experiencing emotional withdrawal or anxiety are identified ▪ Children with significant underlying health conditions that place them at risk and those who are shielding are not in school ▪ Children where a household member is identified as clinically vulnerable or clinically extremely vulnerable are not in school ▪ Conversations with the Gateway, the Key, and the Inclusion Team to support identified pupils - ongoing 	Y		M

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
3. Preventative measures to reduce risk of transmission through breaches of social distancing or good hygiene					
3.1 Staff Induction and CPD					
Staff are not trained in new procedures, leading to risks to health	H	<ul style="list-style-type: none"> • A virtual induction and CPD programme is delivered to all staff prior to reopening, which includes: <ul style="list-style-type: none"> ○ Infection control ○ Fire safety and evacuation procedures ○ Constructive behaviour management ○ Safeguarding ○ Risk management • See Reset and Recovery plan for more details • PPE videos sent to all staff w/b 8.6.20 • Leanne Hicks – PPE Champion • Staff have sent written confirmation to say that they have accessed the training • Monitor and record of training to be kept 	Y		M
New staff are not aware of policies and procedures prior to starting at the school when it reopens	L	<ul style="list-style-type: none"> • See Reset and Recovery plan for more details • Induction programmes are in place for all new staff – either online or in-school – prior to them starting. • The revised staff handbook is issued to all new staff prior to them starting. • No new staff due to start 	Y	<ul style="list-style-type: none"> • LS to renew Safer Recruitment training 	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
3.2 Communication Strategy					
Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health	L	Communications strategies for the following groups are in place: <ul style="list-style-type: none"> • Staff – regular emails • Pupils • Parents - weekly • Governors/Trustees • Local authority • Professional associations including Trade Unions • Other partners including peripatetic staff and health professionals <ul style="list-style-type: none"> • See Reset and Recovery plan for more details • Covid-19 Guidance sheet to be produced for visitors WB 1.6.2020 • Next update with PG (LAC chair) 09.06.2020 	Y		L
There is a lack of clarity and understanding in maintaining social distancing and good hygiene	M	<ul style="list-style-type: none"> • Clear signage is in place at all school entrances, reception, toilets, washing, teaching, social and communal areas promoting the 2-metre rule, good handwashing and ‘catch it bin it’ rules. • Clear floor markings identify 2 metre spaces where possible and one-way systems in corridors and thoroughfares to ensure safe distancing when travelling in and around the building or the external environment, including arrival and leaving procedures. • All systems and procedures are visibly modelled by leaders and routinely monitored and reviewed throughout the day. • All classrooms either have sinks or are in very close proximity to a sink • Hand sanitiser at main entrance to be used as someone enters the school building • A red marker has been incorporated into the main reception area for pupils to stand on to give their lunch order. • Additional markings have been painted onto the driveway to support parents in adhering to the one-way system (08.06.2020) • Cleaners to clean the toilets before and after lunchtime. • Wipes in the ladies / gents toilets • Paper towels now in use and not the hand driers (08.06.2020) • Socially distanced peg labels for children in reception and Year 1 • Give information on social distancing shared with children via Makaton symbols (08.06.20) 	Y		M

Parents and carers are not fully informed of the health and safety requirements for the reopening of the school	H	<ul style="list-style-type: none"> As part of the overall communications strategy, parents are kept up to date with information, guidance and the school's expectations on a weekly basis using a range of communication tools. A COVID-19 section on the school website is created and updated. Parent and pupil handbooks/information leaflets have been created and issued 	Y		M
Parents and carers may not fully understand their responsibilities should a member of their household or a child show symptoms of COVID-19	M	<ul style="list-style-type: none"> Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school's website. A Home School Agreement was sent home via ParentMail on 5.6.20 	Y		M

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
4. Planning Movement around the school					
Movement around the school risks breaching social distancing guidelines	M	<ul style="list-style-type: none"> • Circulation plans have been reviewed and revised. • One-way systems are in place where possible. • Corridors are divided where feasible. • Appropriate signage is in place to clarify circulation routes. • Pinch points and bottle necks are identified and managed accordingly. • Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and utilising any external learning environment that is available • Pupils are regularly briefed regarding observing social distancing guidance. • Appropriate levels of supervision and guidance are in place • A staff member to wait in the KS2 corridor to encourage children not to gather in the cloakrooms upon arrival • Review of potential pinch points in week one of the pupils' return – considered after day 1, day 2, day 4 and day 5 – no additional concerns • 	Y		L
4.1 Management of social distancing in reception areas					
Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines	M	<ul style="list-style-type: none"> • Circulation plans have been reviewed and revised. • One-way systems are in place where possible. • Corridors are divided where feasible. • Appropriate signage is in place to clarify circulation routes. • Pinch points and bottle necks are identified and managed accordingly. • Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and utilising any external learning environment that is available • Pupils are regularly briefed regarding observing social distancing guidance. • Appropriate levels of supervision and guidance are in place • A staff member to wait in the KS2 corridor to encourage children not to gather in the cloakrooms upon arrival • Review of potential pinch points in week one of the pupils' return – considered after day 1, day 2, day 4 and day 5 – no additional concerns • 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
4.2 Management of Aggress and Egress – arrival and departure					
The start and end of the school day create risks of breaching social distancing guidelines	M	<ul style="list-style-type: none"> Parents have clear information on drop-off, pick up procedures whether on foot or driving with clear signage in place Start and departure times are staggered to reduce pinch points and risk of breach. A clear traffic management scheme is in place that allows safe queuing of vehicles monitored on the school gate with a drop-off and go procedure in place All available safe exits are utilised to leave the school building, with clear safeguarding procedures in place to ensure children are handed over to their parents Segregation of groups is considered wherever practicable Floor markings are visible where it is necessary to manage any queuing. Staff made aware that they must use the top carpark and not the path to park. If they do park on the path, they will be asked to move. Access into school for all groups will be via the main entrance. Times will be staggered. Parents will follow a one-way system e.g. down the path and up the driveway. Whilst waiting in the hall for collection, markers to be placed to allow for social distancing Children to stand on the red spot to be registered by admin staff and give lunch order – w/b 8.6.29 Additional arrows painted onto the paving to aid parents in following the one-way system in place 8.6.20 Fallons Ground Maintenance now parking on the field to ensure parents have easy access to the school 	Y		L
Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply	M	<ul style="list-style-type: none"> Start and finish times are staggered. The use of available entrances and exits is maximised. Social distancing guidelines are reinforced at entrances and exits through signage and floor/ground markings, including external drop-off and pick-up points. Weekly messages to parents stress the need for social distancing at arrival and departure times. Additional arrows painted onto the paving to aid parents in following the one-way system in place 8.6.20 	Y		L

4.3 Management of classrooms and teaching spaces					
Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
The size and configuration of classrooms and teaching spaces does not support compliance with social distancing measures	H	<ul style="list-style-type: none"> Home base arrangements are in place. Net capacity assessment is completed, with each classroom and teaching space compliant with social distancing measures and in line with local and government guidance All furniture not in use has been removed from classrooms and teaching spaces into safe storage Arrangements are reviewed regularly. Reset week will allow for movement of equipment where required Additional Bubble for KWV created in Year 4 – additional tables / chairs stored in Year 5 All classrooms have sufficient ventilation- windows are kept open throughout the day Request for final places in Reception, Y1 and Y6 in newsletter dated 12.06.20. Parents to contact school by 17.06.20 if place is required. Limited places available. 3 places were taken up 1 x Y1 and 2 x Y6. 	Y		L
4.4 Management of movement in corridors					
Social distancing guidance is breached when pupils circulate in corridors	M	<ul style="list-style-type: none"> Circulation plans have been reviewed and amended. One-way systems are in operation where feasible. Corridors are divided where feasible. Circulation routes are clearly marked with appropriate signage. Any pinch points/bottle necks are identified and managed accordingly. The movement of pupils around school is minimised as much as possible. Where possible, pupils and staff stay in classrooms or in designated external areas Pupils are reminded regularly to observe social distancing guidance whilst circulating, supported by signage Appropriate supervision levels are in place. 	Y	<ul style="list-style-type: none"> Sofa in main entrance area to be turned around to ensure it is not sat upon 	L
4.5 Management of social distancing at break times					
Pupils may not observe social distancing at break times	M	<ul style="list-style-type: none"> Break times are staggered. External areas are designated for different groups. Pupils are reminded about social distancing as break times begin. Social distancing signage is in place around the school and in key areas. Supervision levels have been enhanced, especially with younger pupils, to support social distancing. Markings on the field to separate key worker children and Y6 pupils Circular mats placed onto KS1 / KS2 playgrounds to separate key worker bubbles and Reception / Y1 children 	Y		M

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
4.6 Management of social distancing at lunch times					
Pupils may not observe social distancing at lunch times	M	<ul style="list-style-type: none"> Pupils are reminded about social distancing as lunch times begin. Pupils wash their hands using the 20 second routine, before and after eating. Dining area layouts have been configured to ensure social distancing. Tables and chairs have been cordoned off where this is not possible. Floor markings are used to manage queues and enable social distancing. Additional arrangements are in place, such as staggering lunch times, delivering grab bags to classrooms, pupils eating in classrooms or other spaces. Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). Eating areas are cleaned after lunch. See Reset and Recovery plan for more details Markings on the field to separate key worker children and Y6 pupils 	Y		M
4.7 Management of social distancing and hygiene in the toilets					
Queues for toilets and handwashing risk non-compliance with social distancing measures	L	<ul style="list-style-type: none"> Pupils are reminded about social distancing as lunch times begin. Pupils wash their hands using the 20 second routine, before and after eating. Dining area layouts have been configured to ensure social distancing. Tables and chairs have been cordoned off where this is not possible. Floor markings are used to manage queues and enable social distancing. Additional arrangements are in place, such as staggering lunch times, delivering grab bags to classrooms, pupils eating in classrooms or other spaces. Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). Eating areas are cleaned after lunch. See Reset and Recovery plan for more details Markings on the field to separate key worker children and Y6 pupils 	Y		L
4.8 Safety Arrangements for the use of Medical Rooms					
The configuration of medical rooms may compromise social distancing measures	M	<ul style="list-style-type: none"> Social distancing provisions are in place for medical rooms. Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. Covid-19 first aid packs are available to ensure appropriate PPE for supervising staff PPE available for use in line with guidance. <p>A no touch thermometers to aid any early identification of infection has been purchased.</p>	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
5. Securing and sustaining robust hygiene systems and procedures					
5.1 Cleaning					
Cleaning capacity is reduced so that an initial deep-clean and ongoing cleaning of surfaces are not undertaken to the standards required	M	<ul style="list-style-type: none"> An enhanced cleaning plan is agreed and implemented which minimises the spread of infection. Working hours for cleaning staff are increased to secure sufficient capacity to undertake an enhanced cleaning regime throughout the day Sufficient supplies of soap/handwash, paper towels, tissues and cleaning products are procured to ensure constant supplies are available in every teaching and washing space Cleaners have designated areas (linked to lunchtime classes) New cleaning policy in place (08.06.2020) Bins throughout school are bagged and are cleaned regularly Hand sanitiser to be placed by both photocopiers 	Y		L
5.2 Hygiene and Handwashing					
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency	M	<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers is undertaken before the school reopens and additional supplies are ordered Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. Tissues will be provided in every classroom and room in school that are being used. 	Y		L
Pupils forget to wash their hands regularly and frequently	M	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently. Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. Pupils and staff are taught how to effectively wash their hands especially before and after eating, going to the toilet, or following direct contact with another person 	Y		L
5.3 Personal Protection Equipment (PPE)					
Provision of PPE for staff where required is not in line with government guidelines	M	<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. Those staff required to wear PPE (e.g. SEND intimate care; receiving/handling deliveries; cleaning staff) have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely). Staff are reminded that wearing of gloves is not a substitute for good handwashing. Use of PPE to be tracked and recorded 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
6. Curriculum Organisation					
Children may need to re-socialise and familiarise with new routines	M	<ul style="list-style-type: none"> Consideration should be given on planning what to teach, and how, taking into account the temporary disapplication of the curriculum The priorities for young children currently is resocialisation into new style school routines; speaking and listening and regaining momentum in particular with early reading. 	Y		L
Children may have fallen behind in their learning during the school closure and achievement gaps will have widened	M	<ul style="list-style-type: none"> Gaps in learning are assessed and addressed in teachers' planning. Home and remote learning is continuing and is calibrated to complement in-school learning and address any gaps identified to minimise inequality Plans for intervention are in place for those pupils who have fallen behind in their learning. Field markings for non-contact sports e.g. rounders / running track put in Children to wear trainers to school so additional footwear is not brought in for PE 	Y		L
Pupils moving on to the next phase in their education do not feel prepared for the transition	M	<ul style="list-style-type: none"> A plan is in place for pastoral staff to speak with pupils and their parents about the next stage in their education and resolve any issues. Virtual tours of the school are available for parents and pupils. Online induction days for pupils and parents are planned. Induction TEAMS meeting arranged for June 18th – 2 to 3 or 5 to 6 – this has since been amended and a pre-recorded presentation was sent out to all new parents on 18.06.2020 	Y	<ul style="list-style-type: none"> Meet the Staff sheets to be sent out with reports Virtual Tour to be sent to new reception pupils Buddy cards to be sent to new Reception pupils 	L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
7. Enhancing Mental Health Support for Pupils and Staff					
7.1 Mental health concerns – pupils					
Pupils' mental health has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	M	<ul style="list-style-type: none"> There are sufficient numbers of trained staff available to support pupils with mental health issues. There is access to designated staff for all pupils who wish to talk to someone about wellbeing/mental health. Wellbeing/mental health is discussed regularly in PSHE/virtual assemblies/pupil briefings (stories/toy characters are used for younger pupils to help talk about feelings). Resources/websites to support the mental health of pupils are provided. Wellbeing assemblies to restart w/b/14.06.2020 – first read by Pat Garner, the second by Holly Higgins 	Y		L
7.2 Mental health concerns – staff					
The mental health of staff has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	M	<ul style="list-style-type: none"> Staff are encouraged to focus on their wellbeing. Line managers are proactive in discussing wellbeing with the staff that they manage, including their workload. Staff briefings and training have included content on wellbeing. Staff briefings/training on wellbeing are provided. Staff have been signposted to useful websites and resources. 	Y		L
Working from home can adversely affect mental health	M	<ul style="list-style-type: none"> Staff working from home due to self-isolation have regular catch-ups with line managers. Staff are encouraged to speak regularly with colleagues, take regular breaks and exercise. Appropriate work plans have been agreed with support provided where necessary. Staff working from home may help provide remote learning for any pupils who need to stay at home. 	Y		L
7.3 Bereavement Support					
Pupils and staff are grieving because of loss of friends or family	M	<ul style="list-style-type: none"> The school has access to trained staff who can deliver bereavement counselling and support. This includes the Council's critical incident team Support is requested from other organisations when necessary. Staff have been signposted to online bereavement training – ongoing 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
8. Governance and Policy					
8.1 The role of Governors					
Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.	L	<ul style="list-style-type: none"> The governing body continues to meet regularly via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Principal's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of the Academy Committee and the Board of Directors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility. 	Y		L
Governors are not fully informed or involved in making key decisions	L	<ul style="list-style-type: none"> Online meetings are held regularly with governors. Board of Directors in consultation with Local Academy Committees are involved in key decisions on reopening. Board of Directors and Academy Committees are briefed regularly on the latest government guidance and its implications for the school. 	Y		L
8.2 Policy Review					
Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance and other policies are no longer fit for purpose in the current circumstances	L	<ul style="list-style-type: none"> All relevant policies have been revised to take account of government guidance on social distancing and COVID-19 and its implications for the school. Staff, pupils, parents and governors have been briefed accordingly. Board of Directors and Academy Committees have approved revisions 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
9. Other operational issues					
9.1 Review of fire procedures					
Fire procedures are not appropriate to cover new arrangements	M	<ul style="list-style-type: none"> • Fire procedures have been reviewed and revised where required, due to: <ul style="list-style-type: none"> ○ Reduced numbers of pupils/staff ○ Possible absence of fire marshals ○ Social distancing rules during evacuation and at muster points ○ Possible need for additional muster point(s) to enable social distancing where possible ○ Staff and pupils have been briefed on any new evacuation procedures. ○ Incident controller and fire marshals have been trained and briefed appropriately. • Fire marshals are identified on the overview – they are present Mon/Tues and Thurs / Fri • Staff and children to be reminded about the need to social distance during a fire alarm • Fire Drill for Bubble 1 took place on 09.06.2020 – no issues, 1 minute and 1 second to vacate the building. • Doors are wedged open throughout the day but if there is a fire evacuation or the room is no longer occupied, all doors must be closed. • Spots to identify where children are to line up – social distancing adhered to 	Y		L
Fire evacuation drills - unable to apply social distancing effectively	L	<ul style="list-style-type: none"> • Plans for fire evacuation drills are in place which are in line with social distancing measures. Spots on the playground used to support younger pupils in social distancing during a fire evacuation • Bubble 1 Drill – 1 min, 1 second. Social distancing adhered to (9.6.20). 	Y		L
Fire marshals absent due to self-isolation	L	<ul style="list-style-type: none"> • An additional staff rota is in place for fire marshals to cover any absences and staff have been briefed accordingly. 	Y		L
9.2 Free School Meals					
Pupils eligible for free school meals do not continue to receive vouchers on the days that they are not in school	M	<ul style="list-style-type: none"> • A member of the school's administrative team is tasked with ensuring that pupils eligible for free school meals receive free meals when in school and continue to receive vouchers/school meals when not in school. 	Y		L

Activity	Risk rating prior to action (H,M,L)	Control measures	In place? (Yes/No)	Additional Controls	Residual Risk Rating (H/M/L)
9. 3 Contractors working on school site					
Contractors on-site whilst school is in operation may pose a risk to social distancing and infection control	M	<ul style="list-style-type: none"> • Ongoing works and scheduled inspections for schools (e.g. estates related) have been designated as essential work by the government and so are set to continue. • An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. • Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times. • Alternative arrangements have been considered such as using a different entrance for contractors and organising classes so that contractors and staff/pupils are kept apart. • Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed. • In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction). • EYFS area is being developed. The area has been cordoned off – children can not gain access to the area. Contractor aware of risk assessment. • Fallons Ground Maintenance parking on the field as to not block the path into school 	Y		L

10. Additional site-specific issues and risks					
Schools to add any site-specific issues/arrangements here and ensure mitigation strategies are in place to address them					
Children do not have inhalers in school as they brought them home at the start of lock down	L	<ul style="list-style-type: none"> Parents reminded to send inhalers in Staff to check inhalers are in and are in date 	Y		L
Bikes brought in but no control measures are in place	L	<ul style="list-style-type: none"> Children are guided as to which racks to use 	Y		L
Access to water	L	<ul style="list-style-type: none"> Children to refill water bottles from the classroom tap however hands must be washed/sanitised before and after using the tap. 	Y		L
In KVV bubbles where due to absences an older child may find themselves alone	L	<ul style="list-style-type: none"> Ipads for Read Theory to be kept securely in the classroom with wipes to ensure it is cleaned after each use. 	Y		L
Children's mental health and wellbeing suffers for not having had any opportunity to come into school, to meet friends and begin to transition into their new year groups.	M	<ul style="list-style-type: none"> Parents are contacted to ascertain the take up offer of our Coming Together Gathering for children in Y2, 3 and 4. Children, together with their current and next teacher, will meet in bubbles of up to 10. <ul style="list-style-type: none"> Monday: Y3 Rebecca and Sarah H Tuesday: Y4 Sarah H and Holly Wednesday: Y2 Claire and Rebecca Thursday: The number of bubbles will be dependent upon the uptake. Each bubble will have a different time slot. Children will be brought in by one parent. Social distancing measures will be applied leading up to the school. At the SSOs house, children will be greeted by a member of staff and registered. Children will walk through the side gate as parents continue to follow the one-way system out of the school grounds. The children will be directed to the field, where a designated area will be marked. Children can bring in their own drink. A snack will be provided. If children require the toilet, they will be directed to the toilets in the Sanctuary. The Gathering will last for 1 hour. Upon departure, children will be brought back to the side gate, where they will be handed over to their parent. If the weather does not permit an outdoor gathering, the school hall will be used with children using the disabled toilets. End of day departure routines will be applied. The hall floor will be cleaned before the next bubble comes in. Meet the Teacher sheets will be sent out to all parents and children so they know who their teacher will be next academic year. Year 5 will transition through the Romero Sailing into Year 6 programme – see separate RA. 		SEND / Vulnerable pupils will be encouraged to attend the gatherings	L

<p>Year 6 children do not have the opportunity to say goodbye, leading to wellbeing issues.</p>	<p>M</p>	<ul style="list-style-type: none"> Parents are contacted to ascertain the take up offer of our Y6 Leaver’s Goodbye Gathering - Thursday 16th or Friday 17th July at 3.30pm (1 ½ hours) . Children will be brought in by one parent. Social distancing measures will be applied leading up to the school. At the SSOs house, children will be greeted by a member of staff and registered. Children will walk through the side gate as parents continue to follow the one-way system out of the school grounds. <p>Children will be placed in one of three bubbles:</p> <p>Bubble 1 – Monday and Tuesday bubble Bubble 2 – Thursday and Friday bubble (children can wear their own clothes to school on this day). Bubble 3 - children who did not return on June 8th</p> <p>No bubble will exceed 10 children.</p> <ul style="list-style-type: none"> The children will be directed to the field, where a designated area will be marked for their bubble. If children require the toilet, they will be directed to the toilets in the Sanctuary. Drinks, hot dogs and ice cream will be provided for each bubble on separate areas within their designated area. Award medals to be handed to children and not placed around their necks Parents will be asked to collect children from the school field at 5.15 – they will be asked to social distance down the far path. If the weather does not permit an outdoor gathering, the school hall and dining room will be used, with designated areas marked out. The children will use the disabled toilets. End of day departure routines will be applied. The hall will be cleaned following guidelines in the policy. Parents will be asked to collect children from the main entrance at 5.30 following the social distance markers. Year 5 will transition through the Romero Sailing into Year 6 programme – see separate RA. 			<p>L</p>
<p>Staff do not feel valued</p>	<p>M</p>	<ul style="list-style-type: none"> Staff are invited to remain after the Y6 Leavers Party. Fish and Chips / Pizza will be ordered and staff thanked for all their work. In case of poor weather, the hall holds 25 staff – socially distanced at 2m where possible. 			<p>L</p>
