1. Mandatory LGPS 2013 & 2014 Discretions

Discretionary policies from 1 April 2014 in relation to post 31 March 2014 active members and post 31 March 2014 leavers:

Shared Cost Additional Pension Contribution APC's) Reg 16(2)(e) & Reg 16(4)(d)

'Whether, how much, and in what circumstances to contribute to a shared cost APC scheme.'

Where an active member wishes to purchase extra annual pension by making additional pension contributions (APCs)*, an employer can choose to voluntarily contribute towards the cost of purchasing that extra pension through a Shared Cost Additional Pension Contribution (SCAPC)

**(Please see [LGPS Member Website](#) for the current years maximum additional pension purchase limit)*

Note: this discretion does not relate to cases where a member has a period of authorised unpaid leave of absence and elects within 30 days of return to work (or a longer period if the employer allows) to pay a SCAPC to cover the amount of pension 'lost' during that period of absence. In those cases, the employer must contribute 2/3rds of the cost to a SCAPC; there is no discretion (regulation 15(5) of the LGPS Regulations 2013).

Policy Decision:

The Romero Catholic Academy will not exercise this discretion however it may consider individual cases on their own merits and may award this discretion in exceptional circumstances and if there is a sound business case.

(The 85 year rule protection applies when the employee's age and length of LGPS service total 85 and the employee is aged 60 or over. 5. Recommended LGPS 2013 & 2014 Non-Mandatory Discretions

There is no requirement to have a written policy in respect of non-mandatory discretions. However, there are some non-mandatory discretions where it is recommended for Scheme employers to have a written policy so that both members and the Pension Fund administering authority can be clear on the employer’s policy on these matters.

How an employee’s contribution band will be initially determined and thereafter reviewed R9(1) & R9(3)

Employers must decide how the pension contribution band to which an employee is to be allocated on joining the Scheme will be determined and reviewed at each subsequent April.

Circumstances in which the employer will review the pension contribution band will also need to be determined. For example, following a material change which affects the member’s pensionable pay during the Scheme year (1 April to 31 March)

From 1 April 2014, contributions are based on actual pay including non-contractual overtime

Policy Decision:

The rate of employees’ contributions are determined by reference to the published bandings at the time of joining the LGPS. This may be reviewed from time to time if circumstances require it
